Diabetes Centre

Larnaca General Hospital

LARNACA GENERAL HOSPITAL

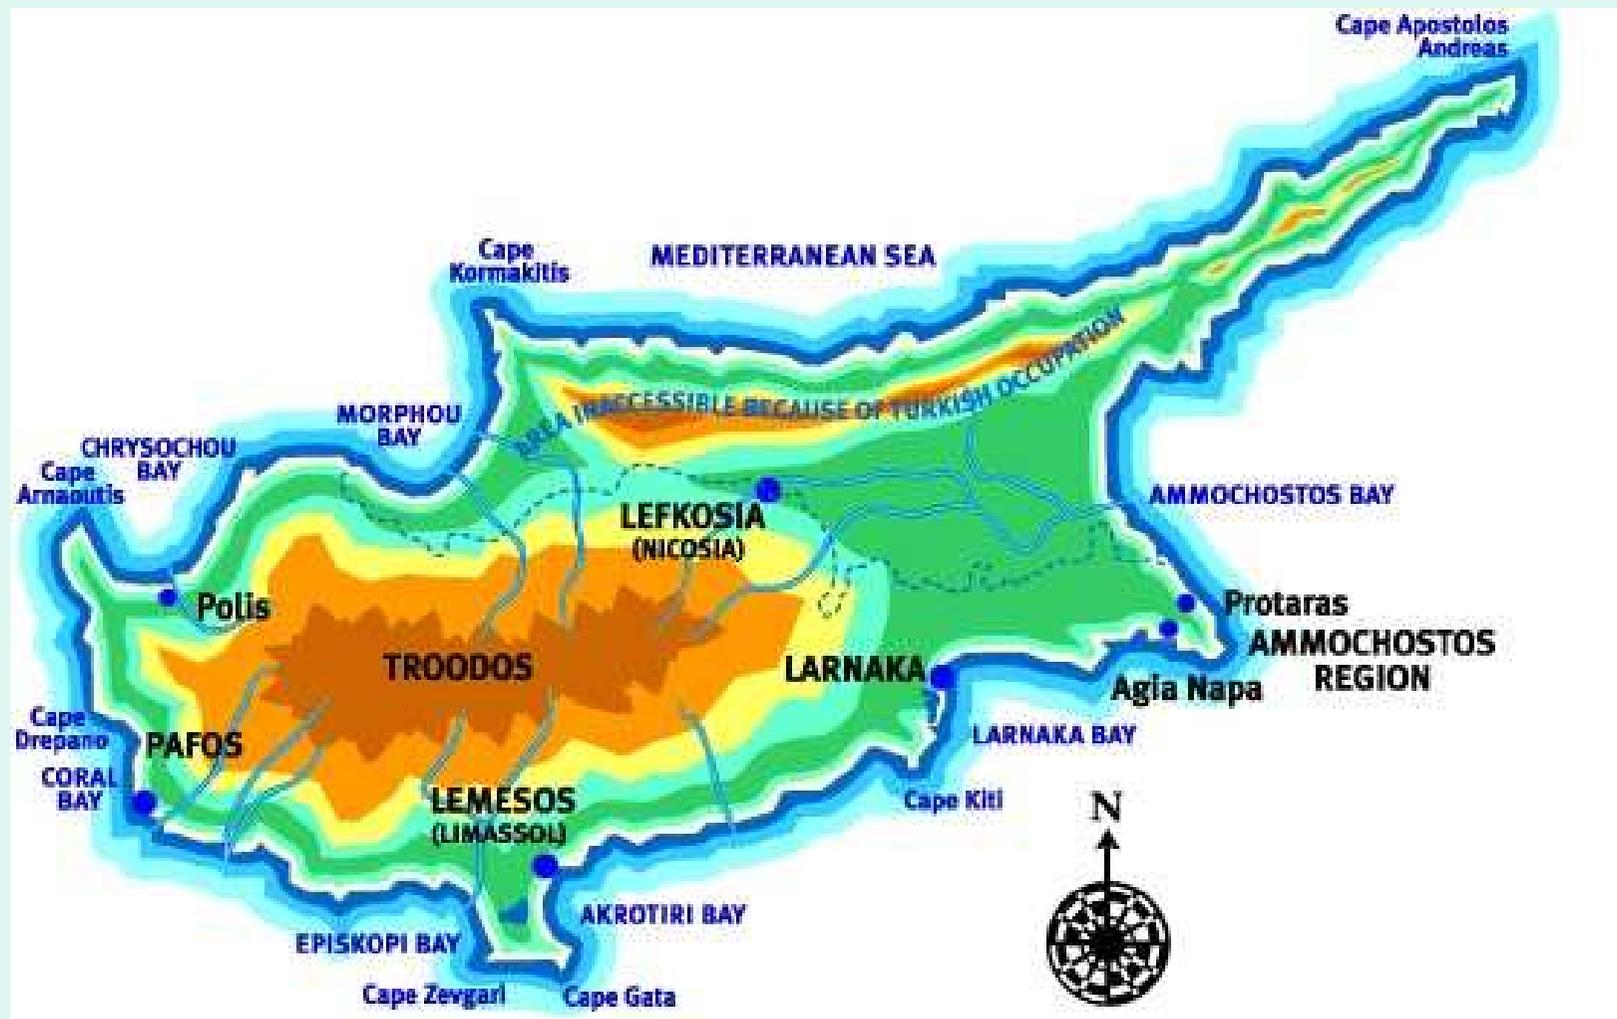

Diabetes Centre – Larnaca

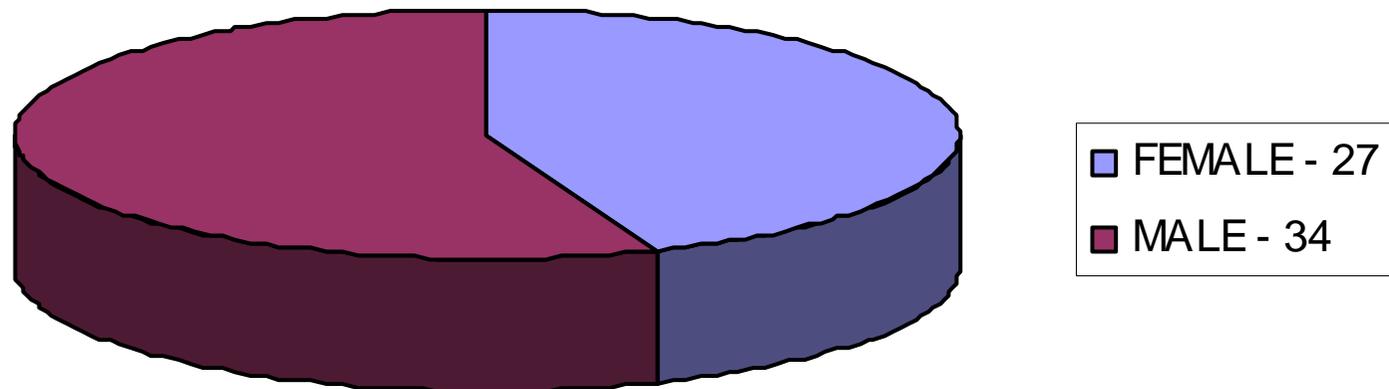

- Diabetes Clinic
- Diabetes Register
- Data Collection Centre

CYPRUS DIABETES REGISTER

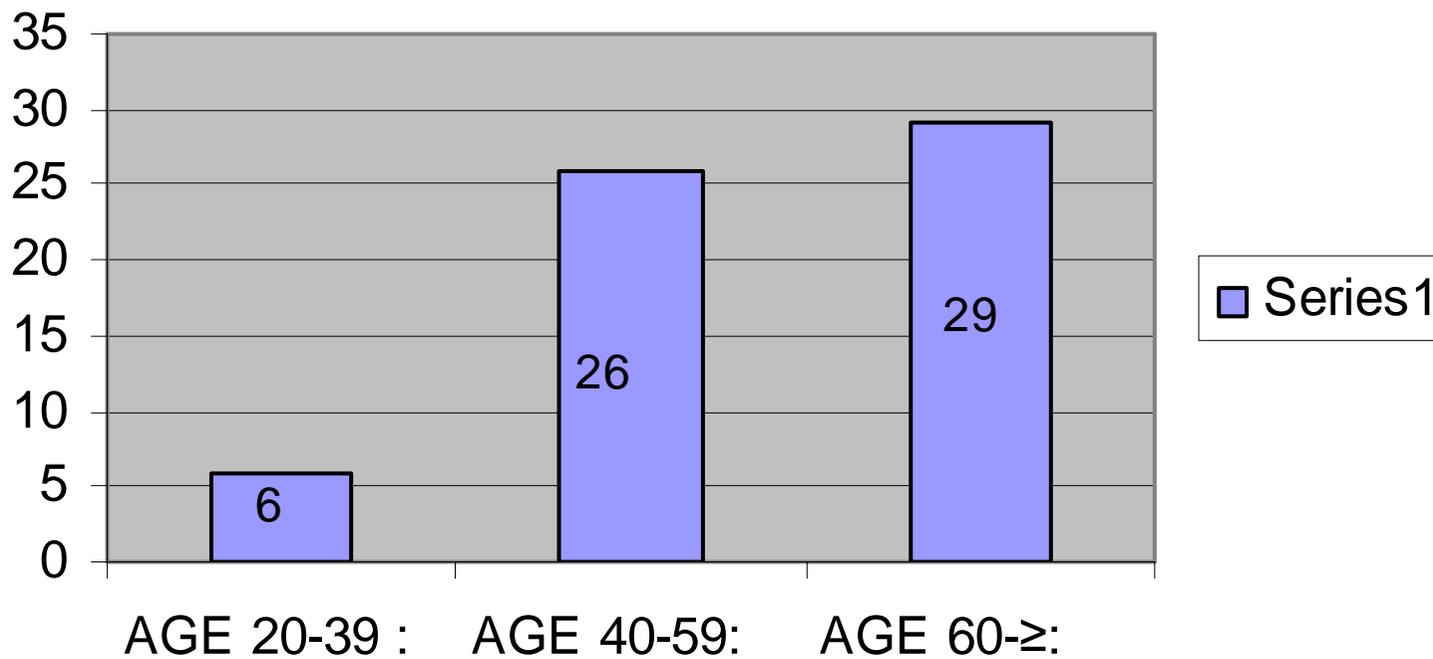

- Being developed in Microsoft Access by DITS (The Department of Information Technology Services).
- It is based on the B.I.R.O common dataset (WP 3, Doc. V1.1)
- It has been installed at the Diabetes Centre in Larnaca and is going to be run as a pilot study.
- It is also planned to install this programme at Famagusta Hosp. The Outpatients Dept. at Larnaca Old Hosp. and the Rural Health Centres of Ormidhia and Avgorou.
- At a later stage it will be rolled out to all medical centres in Cyprus.
